

## Report or check the status of mishandled baggage

**If you have submitted a claim, please click on ‘View/Update Status’ and enter your file reference number. Your claim details have been entered into an automated baggage tracing system that will enable you to check the status of your baggage.**

- Please ensure that your name, address, flight information and bag type details are correct. In case of any changes to your address, please update your information accordingly.
- Please retain the mandatory documents pertaining to this trip as they will help us locate your delayed baggage or assess any damage or mishandling that your bag incurred. If you would like to submit a mishandled baggage claim, please click on 'Report Mishandled Baggage' and provide the necessary information to report any delay, damage or mishandling of your bag.

**If you have not reported the mishandled baggage yet, please click on “Report mishandled baggage” to complete the details and report the delay, damage or any other mishandling of your baggage.**

## Documents you need:
